

# HOW TO GET THERE

The Environment Agency have a policy to reduce the impact of travel for both our own activities and those of our visitors. Green Transport Plans are produced for many of our sites. We encourage staff and visitors to use public and alternative forms of transport to travel to our sites where possible. Whilst we try to keep our maps up to date, if any of the information needs updating please let our reception staff know.

## WORTHING

### By Rail

Book train tickets via the Easinet - Redfern Travels tRIPS.  
Worthing railway station is approximately 15 minutes walk to the office. Journey time via London, Brighton or Littlehampton, then approximately 15 min walk to the office.

### By Foot/Bike

There are limited bicycle spaces at Worthing adjacent to the front entrance.

### By Bus

[www.stagecoachbus.com](http://www.stagecoachbus.com)  
Traveline 0871 200 2233 (calls cost 10p per min plus network charges).

### By Car

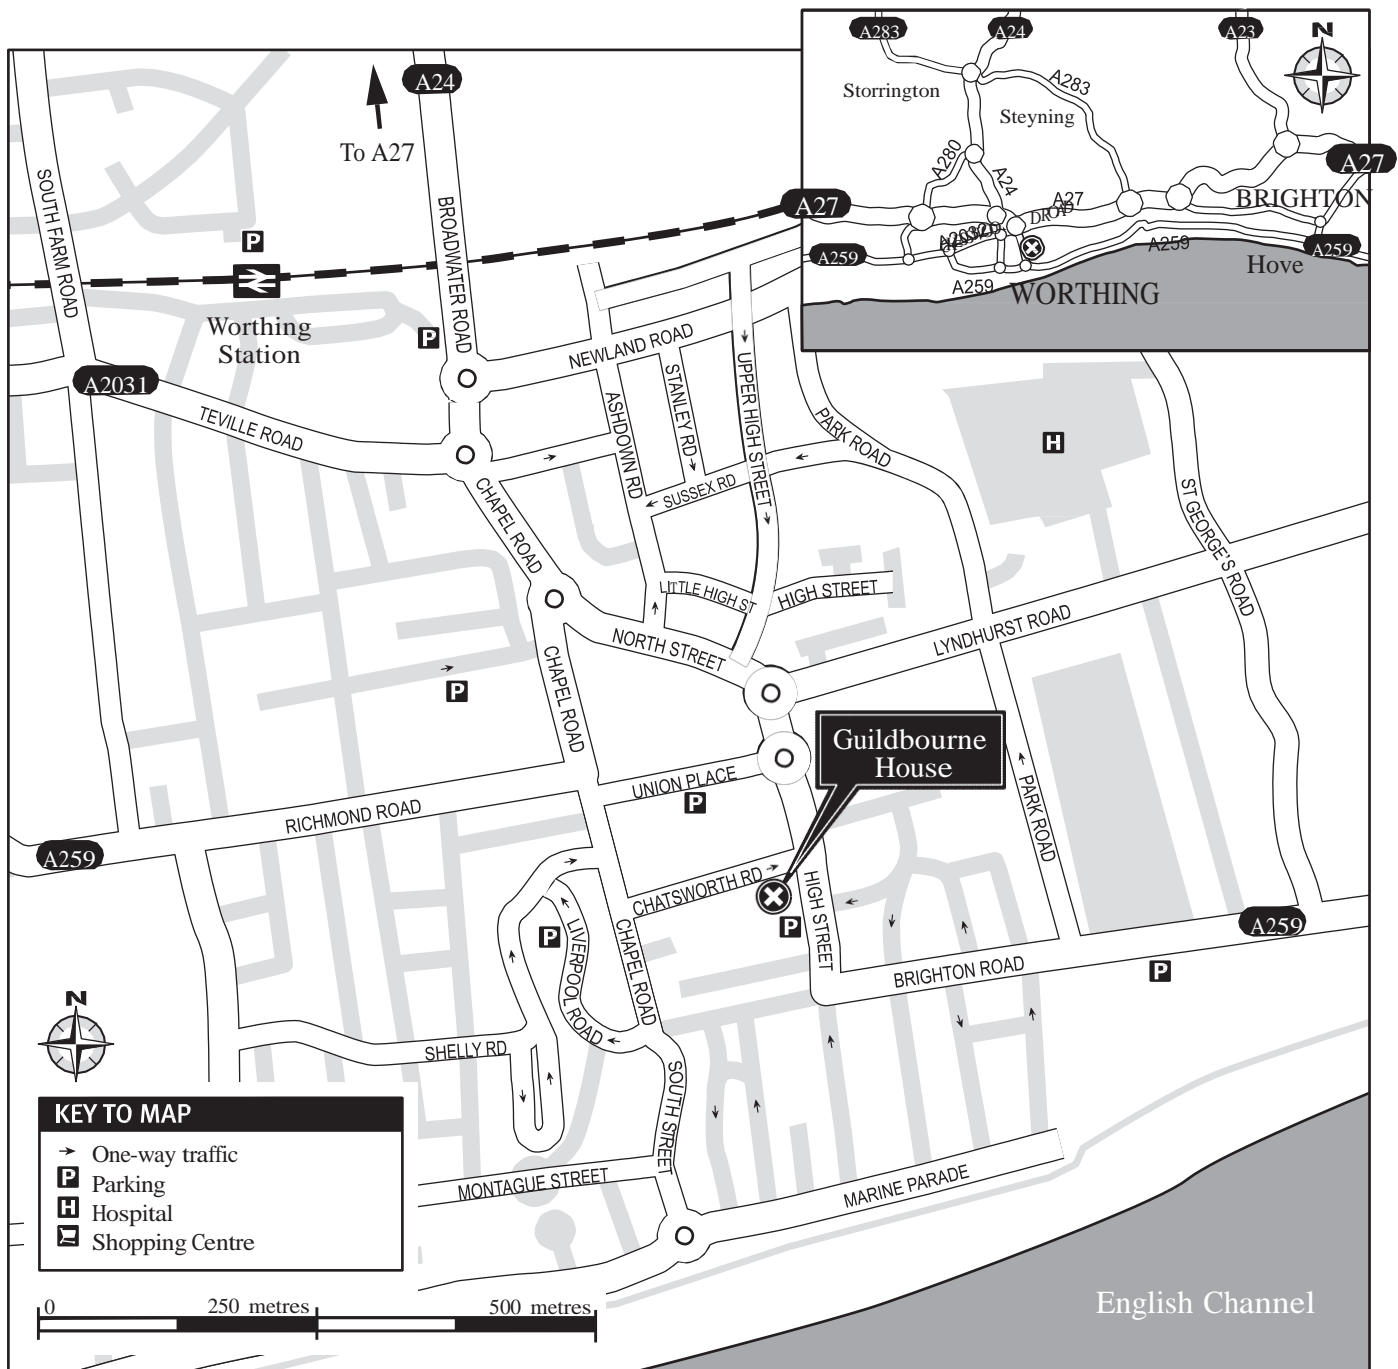

From the A27 take the A24 towards central Worthing for approximately 2 miles. After going over the railway bridge, go straight ahead at the double roundabout and at the large roundabout of Chapel Road, take the North Street exit. At the next roundabout, turn right into the High Street, the entrance to Guildbourne House (NCP) car park is situated on the right-hand side. The office entrance is in Chatsworth Road, turn left out of the lifts and follow the footpath then turn left.

### Car Parking

Parking is in the NCP car park adjacent to the office. There is 1 disabled bay outside the front entrance.

PLEASE NOTE THAT VISITORS SHOULD ARRIVE BETWEEN 9am and 5pm.
